PURELL® ES8 Hand Sanitizer Dispenser

PURELL® ES8 Touch-Free Hand Sanitizer Dispenser, White, for 1200 mL PURELL ES8 Hand Sanitizer Refills, 1/CT

Product Description:

Built on over 65 years of dispenser engineering experience, the ES8 system is designed for facilities where image and infection control are important. The PURELL ES® Touch-Free Hand Sanitizer Dispenser eliminates battery replacements with energy-on-the-refill technology. Optional SMARTLINK™ modules add capability for service alerts, compliance monitoring and other upgrades as technology evolves. The dispenser complements decor and the AT-A-GLANCE™ refill design provides the easiest way to see when refills need to be changed. When people see the PURELL brand it sends a clear signal that you care about cleanliness, health and well-being. 79% of people surveyed said seeing PURELL products makes them feel better about the facility's cleanliness. ES8 Touch-Free Dispensers are made by the #1 manufacturer of commercial soap dispenser systems. They are guaranteed to be reliable. We stand behind the product for the life of the dispenser.

Specifications
