

# CRYSTAL SIMPLE GREEN® INDUSTRIAL CLEANER & DEGREASER

Powerful, industrial-strength cleaning and degreasing without added color or scent

## APPLICATIONS

- NSF registered for use as a general cleaner in all food processing facility areas including cooking and smoking equipment, floors, walls, and utensils (Liquid has added soak and laundry registrations)
- Ideal for a wide range of industries including manufacturing, MRO, food processing, commercial kitchens, pharmaceutical, cosmetic, medical, electronic and more
- High performance cleaning power easily cuts through tough grease, oils, built-up grime and residue on equipment, machinery and manufactured parts
- Clean rinsing formula is perfect for surface prep prior to painting, plating or welding
- Liquid can be easily and economically diluted for use in floor scrubbers, dip tanks, carpet extractors, pressure washers, parts washers, steam extractors and foamers
- Powerful enough for intense grime, while gentle enough for continued maintenance of high-traffic areas

## DILUTION RECOMMENDATIONS

- **HEAVY:** Thick grease, oil, carbon & soot, baked-on soils, tough soils embedded in porous surfaces: **Full-Strength to 10 Parts Water**
- **MEDIUM:** Greases & oils, most metal working fluids, hydraulic fluids, dirt, grime, food residue: **10-30 Parts Water**
- **LIGHT:** Dusts, particulates, very light oils: **30+ Parts Water**
- **MECHANICAL ASSISTANCE:** Scrubbing, brushing, pressure, steam, heat, air agitation, etc.: **20-30 Parts Water**
- **GLASS, MIRRORS, LENSES, and REFLECTIVE SURFACES:** **60+ Parts Water**

## UNIQUE FEATURES

- NSF registered A1, A2, A4, A8, B1 and C1 (liquid) and A1, A4, A8 and C1 (aerosol)
- Economical & versatile formula
- No added color or scent
- Trusted non-abrasive, non-caustic & non-flammable alternative to caustic cleaners & solvents
- Cost-effective concentrated liquid formula can be used manually or with cleaning equipment
- Clean rinsing formula meets rinsability standards to support facilities following Good Manufacturing Practices (validates below 10 ppm)
- Exempt from OSHA special handling and personal protection requirements for hazardous materials
- Low VOC formula meets Federal and California limits without dilution
- Biodegradable Formula breaks down 100% within six months in a typical sanitary sewer or septic system (OECD 301D).
