ABSORBENT DEODORIZER

THIRSTY

FEATURES

- Super-Absorbent Deodorizer
- Absorbs, Solidifies and Deodorizes potentially hazardous liquids
- Absorbs 80-100 times its weight
- Neutralizes offensive odors
- For Commercial & Industrial Use
- Nontoxic & Biodegradable

PROPERTIES

Appearance: White powder with vanilla odor.

Boiling point: 7772 °F

Specific gravity: 5.85 gr/cc

Non volatiles: 95 %

Solubility in water: Insoluble

Flash point: None

Storage stability: Keep away from direct sun light and open flames

pH: Not Applicable

Flammability: Non-Flammable

Packaging: 12x0.5lb Net Wt. Cans/Case

THIRSTY is specifically formulated to absorb, solidify and deodorize potentially hazardous liquids. It absorbs 80 to 100 its own weight. Only 8 oz are needed to absorb over 5 gallons of liquid. THIRSTY neutralizes malodors caused by chemicals as well as by human body fluids. It absorbs and deodorizes blood, urine, vomit and unpleasant chemicals. Its non toxic and biodegradable properties make it ideal for use in healthcare facilities, schools, public transportation, and any other public facility.

Refer to the label and attached SDS for instructions and precautions. The information contained in this safety sheet is aimed at creating a guide for the selection and use of the product. However, we are not responsible for any use not recommended by ChemTron.
