

Mechanical Hands-Free Towel Dispenser, Black

12 ⁵/₁₆" x 9 ⁵/₁₆" x 15 ¹⁵/₁₆"

Description:

Offering reliability that you can count on, this mechanical hands-free roll towel dispenser is guaranteed to operate for over 360,000 hand dries. Its durable design is ideal for school, food preparation, and healthcare environments. The dispenser provides users with individual towels, allowing them to only touch what they need and reducing the risk of cross contamination. It dispenses single 10"-long towels, which controls usage and discourages waste. The dispenser requires very little pull force, making it effortless to use. It is easy to load, with no batteries or settings, and makes refill checks quick with its translucent cover.
