

Ready-To-Use Tile & Grout

Removes Limescale & Soap Scum.
Cleans Fungus, Mold & Mildew.
Removes Efflorescence

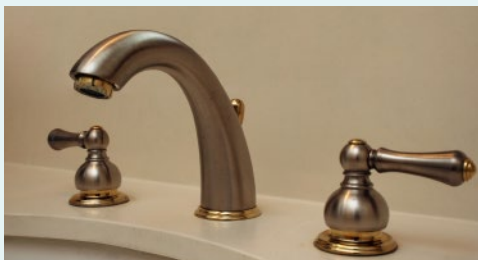

Tile and Grout Cleaner is a acidic detergent that makes ceramic tile and grout look like new.

UNIQUE FEATURES

- Removes:
 - Soap scum
 - Hard water deposits
 - Grout haze and efflorescence
 - Fungus
 - Mold
 - Algae

from grouting & ceramic tile surfaces. It is formulated with advanced cleaning technology that breaks down even the toughest stains.

NOTE: Heavy-duty mixture may darken some surfaces. This acid-based cleaner will etch most polished marble and limestone surfaces and will also etch or corrode most metal surfaces. Do not mix with other chemicals.
