

MODEL 322™

FOAMING TRIGGER SPRAYER

#110531

3.5 mL Output | 28/400 Thread

9 ¼" Dip Tube

200/cs.

COST-EFFECTIVE FOAMING:

The foaming action not only improves cleaning efficiency but also helps in reducing the consumption of chemicals, leading to cost savings

DESIGNED FOR COMFORT:

Features a three-finger trigger and rear support, engineered to make extended use more comfortable and reduce user fatigue

ENHANCED EFFICIENCY:

Offers greater output per stroke, significantly reducing the need for frequent trigger pulls, thereby streamlining any cleaning task

*****Must be used with foaming chemicals for foaming action to take place**
