

## X-SENSE BASE STATION - 1 Pack

### FUNCTION

- ✓ Compatible with 2.4 GHz Wi-Fi Only
- ✓ Supports up to 50 Link+ Pro Devices

Expand your smart security system with up to **50** devices

**Wireless range**  
1,700 ft/500 m (most devices)  
2,200 ft/600 m (driveway alarm)

Mute the system easily via the app or base station

When one alarm sounds, they all will!

**Loud enough to hear**

Monitor **remotely** with your family

Manage all safety devices in One App via the Base Station.

### Centralized Device Management via the X-Sense App

Connect all your X-Sense safety devices to the SBS50 Base Station and manage them through a single, intuitive interface on your smartphone. This centralized approach enhances the functionality and responsiveness of your home safety system by allowing you to:

- ◆ Monitor the status of each device in real-time.
- ◆ Adjust settings and configurations from anywhere.
- ◆ Receive instant alerts and updates directly on your phone.
