Brand New Design for Enhanced Functionality

The Rhino Wheelie Garbage Bin is constructed with commercial-grade, UV-protected materials which lengthen its lifespan and improve its resilience to harsh environments. Its rotationally molded design makes it tougher, more durable and more impact-resistant than injection-molded alternatives on the market.

The Rhino Wheelie Garbage Bin is notably the best in the industry and is backed by a 5-year guarantee.

Rhino Rim

For superior structural integrity and added strength.

Easy-Grip Ergonomic Rear Handle

For effortless maneuverability.

Robust 10" Wheels

For added steadiness, easy tilting and rolling.
