

Ready-To-Use **Purple Activ** Concentrated Industrial Strength High Alkaline Cleaner/Degreaser

This powerfully alkaline, concentrated cleaner is designed for the most extreme cleaning challenges. Its caustic formulation acts fast, for highly effective cleaning and degreasing even in the most heavy-duty industrial applications.

BENEFITS:

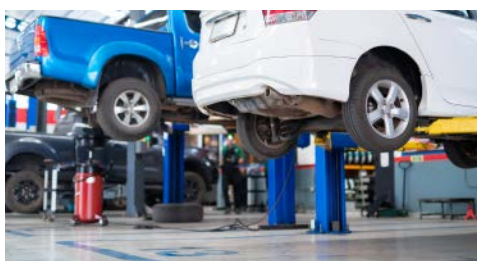

- Extra heavy-duty formulation
- Eliminates difficult greasy soils with ease
- Economical
- Excellent on tough greasy soils

Ready-To-Use **Purple Activ**

Concentrated Industrial Strength High Alkaline Cleaner/Degreaser

DIRECTIONS FOR USE:

Dilute to proper ratio for desired task. Apply to surface and allow adequate contact time. Wipe or rinse away. Caution: Avoid contact with alkali-sensitive surfaces like aluminum and painted surfaces. Do not allow skin contact. If skin contact does occur, immediately rinse with plenty of water.

SPECIFICATIONS:

Appearance (physical state, color, etc)	Transparent blue liquid
Odor	Ether-like
pH	13.1
Melting point/freezing point	ND
Initial boiling point and boiling range	210.0°F
Flash point	199.9°F
Evaporation rate	1
Flammability (solid, gas)	Non-flammable
Upper/lower flammability or explosive limits	ND
Relative density	1.063gr/cc
Solubility (ies)	Soluble
Partition coefficient: n-octanol/water	ND
Auto-ignition temperature	ND
Decomposition temperature	ND
Viscosity	68°F

APPLICATIONS:

This product will remove soot, ink, carbon, and other soils from industrial concrete floors and masonry surfaces such as those found in:

- **Industrial Applications**
- **Automotive repair shops**
- **Service stations & car washes**
- **Educational facilities**
- **Commercial printers**

Safety:

Please make sure you read and understand the product label and SDS before using this product. SDS are available by request. Put on appropriate personal protective equipment. Store and use away from heat, sparks open flame or any other ignition source. Do not get in eyes or on skin or clothing. Do not breathe vapor or mist. Do not ingest. Use only with adequate ventilation. Wash thoroughly after handling. Do not reuse container.
