

Ready-To-Use **Wheel Cleaner**

TOUCHLESS

UNIQUE FEATURES

Interchem's Touchless Wheel Cleaner is a highly effective acid base cleaner that removes brake dust, oxidation, oil, dirt and rust without brushing. This unique formula makes painted wheels shine like new and has a pleasant citrus scent.

"Spray it on, let sit for 30 seconds, then rinse off, no scrubbing necessary."

- ♦ Dissolves Brake Dust
- ♦ Fast Acting
- ♦ Safe on painted wheels
