

MULTI-PURPOSE INDUSTRIAL CLEANER & DEGREASER

PURPLE ACTIV

Tough Enough

PURPLE ACTIV Concentrated Industrial Strength High Alkaline Cleaner/DEGREASER

This powerfully alkaline, concentrated cleaner is designed for the most extreme cleaning challenges. Its caustic formulation acts fast, for highly effective cleaning and degreasing even in the most heavy-duty industrial applications.

Benefits:

- Extra heavy-duty formulation
- Eliminates difficult greasy soils with ease
- Economical
- Excellent on tough greasy soils

Directions for Use:

Dilute to proper ratio for desired task. Apply to surface and allow adequate contact time. Wipe or rinse away.

Caution: Avoid contact with alkali-sensitive surfaces like aluminum and painted surfaces. Do not allow skin contact. If skin contact does occur, immediately rinse with plenty of water.

Applications:

This product will remove soot, ink, carbon, and other soils from industrial concrete floors and masonry surfaces such as those found in:

- Industrial Applications
- Automotive repair shops
- Service stations & car washes
- Educational facilities
- Commercial printers
